VOL. 21 NO. 23 WILMINGTON, MASS. - WEDNESDAY, JUNE 4, 1958 PRICE 10c

LOCAL DEALER ACCUSES ACTING TOWN MANAGER OF INEXPERIENCE

Fred Cain, local automobile dealer, last night addressed a newly formed taxpayers group and gave the following statement:

Are the Wilmington Selectmen going to do their duty? The Voters placed them in office expecting them to fullfill their responsibilities.

Chapter 592 an Act establishing Town Manager Government for the Town of Wilmington Section 7 Appointment of Town Manager quotes, "The Selectmen elected as provided herein shall appoint, as soon as practicable, for a term of 3 years, a town manager who shall be a person especially fitted by education, training, and by previous full time paid experience as a town or city manager, or assistant manager, to perform the duties of the office."

Surely this clause was inserted into the Act to avoid a situation, that now exists in the Town, whereby an inexperienced person is allowed to make decisions that are costly to the Town and its Taxpayers.

In proof of these statements the following facts are offered in evidence:

Thursday, April 17, 1958; Sealed Bids on Police Cruisers were publicly opened and read in the Town Managers Office whereby all interested parties departed with the realization that Fred F. Cain, Inc. had been the Low Bidder on the 2 units by a sum of $206.00. ($1788.00 as against 2nd bidder of $1994.28).

April 18, 1958; Police Chief Lynch wrote the Town Manager and we quote item 3 of an Interdepartment Memo as follows. "And I therefore want it on record that I hereby request that you place the order for two (2) new cruisers with the low bidder, Fred F. Cain Company, Inc."

The Acting Town Manager's reply on Interdepartment Memo of same date and we quote, "From all information presently available, Fred Cain was not repeat not low bidder."

Do the Selectmen believe that this would be the act of a capable, experienced manager. On May 29, 1958 when the new bids were opened the now only bidder bid a price of $2367.44 some $579.44 higher than the original Cain bid and $373.21 higher than his own previous bid.

In the meantime the present units are becoming increasingly expensive to operate which means that the Town unnecessarily has spent $200.00 and will add to that sum before the new units can be delivered.

The next bid called for was a Surburban type vehicle on a commercial chassis for use by the Engineer.

No problem here as this unit is manufactured by General Motors and International but not by Ford.

Two bids only were received and the Low Bidder Chevrolet was awarded the sale. The Specifications called for did not include Heater or Directional Signals which were later added. A Competent manager would have included these items.

The next units to be competitively bid were the Trucks for the Tree Dept. and Highway Dept. on Friday, May 2, 1958.

The Specifications on the Highway truck called for a 22,000 lb. Gross Vehicle Weight Unit. Chassis Cab and Dump Body-(4 Yard Capacity).

This was bid by Wilmington Ford Co. (Ford) Gildart Chevrolet Co. (Chevrolet) and International Harvester Co. Boston (International).

As the International was not the low bid, could not supply the 8 cylinder engine and refused guarantee the unit for one (1) year as required in the Specifications which discourages competitive bidding it was not even considered. The Ford bid was for a Ford F-700 Model quoted as follows, "We are happy to bid on a truck for the Highway Dept. Truck to be as specified, exceptions and corrections on #16 and #18 of the Specifications." It is noted that #16 is as follows."Frame Double Channel type reinforced," was specified and quoted was "single channel." #18 Cooling Fan. "Heavy duty Thermostatically Controlled") was specified and "Heavy Duty Only" was quoted. No great deviations and in themselves not too serious. However Item 4 Engine Cylinder displacement: 8 Cylinder "279 cu. inch minimum" was requir-

Mr. and Mrs. Peter Medico were feted by a large group of friends recently. The couple will make their home in Virginia.

DO YOU WANT A HOSPITAL HERE?

Since the first suggestion that Wilmington may have reached the point where a hospital building program is feasible was tossed into discussion at a recent Selectmen's meeting, to coin a phrase, "the whole Town's talking."

What are they saying? Comments range from the highest enthusiasm to the lowest pessimism. Those who advocate building of a hospital here say the town needs a hospital, can afford a hospital, and must have a hospital. Others say a hospital is too ambitious a project; that a clinic is adequate for the needs and pocketbook of Wilmington. And at the other end of the argument, there are those who say the whole idea is ridiculous.

Nicholas DeFelice, the selectman who first proposed the idea, reports that he had received numerous calls supporting the program. George Spanos, probably the best known man in town, tells us he has been contacted by many people, those in favor, those opposed.

What is needed now is a good cross-section of town opinion. Do you want a hospital? The CRUSADER will be glad to publish a sampling of opinion.

Write to us, c/o Box 506, Wilmington, and we will be glad to forward letters to Nicholas DeFelice to hold until a committee is formed. A hospital will be the combined effort of every citizen of Wilmington. We want to hear from every citizen, pro or con.

TOWN MEETING MAY BE HELD JUNE 9

TO THE VOTERS OF WILMINGTON:

A Special Town Meeting will be held on June 9, in the Herbert C. Barrows Auditorium at 8 p.m.

This should not in any sense be considered as "just another meeting." It is an event that should command the interest of all voters of the Town. The Board of Selectmen have called this meeting for a very specific and important purpose.

On July 1, the Town of Tewksbury will stop the sale of water now being supplied to the residents of Fairmeadow Road and Jere Road under an agreement with the Wilmington Water Department. This is the result of a Tewksbury Town Meeting which voted to instruct its Water Commissioners to "proceed forthwith" to discontinue the selling of water to Wilmington.

The proposition that the residents of Fairmeadow and Jere Roads will be without an adequate and safe supply of water is, of course, an unthinkable one. These two streets represent one of the finest subdivisions in the County and it necessarily follows that in the interests of Public Health and for the protection of property that the water supply to this area be maintained.

In order to bring water to this area it is necessary to extend the Shawsheen Avenue main to Nichols Street and install a main along the entire length of Nichols Street. This cannot be done unless the Town Meeting assembled so votes. If the Town votes to install such a main it must be done under the provisions of the Statutes as adopted by the Town.

DIFFICULT DECISION FOR TOWN MEETING VOTERS MONDAY

Voters are being urged from every side to attend Monday's special Town Meeting and vote on the Nichols St., water problem.

Water service to the Fairmeadow-Jere Rd., area is slated to be cut off July 1, the date the Tewksbury town officials, who supply the area with water, have voted to terminate the service.

In order to supply water through the Wilmington lines, pipe must be laid along Nichols St., and this must be paid for by the residents whose homes it passes, under Wilmington's Betterment Act.

The line was included in a warrant article for the regular meeting, along with a number of other streets. At the meeting, a group, headed by William Berry, opposed the measure, claiming the majority of Nichols St. residents did not want the water brought down their street under betterments. Nichols St. was excluded and the article was voted.

Town officials are urging voters to vote in favor of the new article which will allow water, under betterments, to be brought down Nichols St.

Those who feel that the previous vote of the town is a mandate that the water shall not be brought down Nichols St. under betterments, are urging that the town vote against the measure.

What will happen?

Well, we urge you to attend the meeting and vote - - but it would take a Solomon to advise you to how!

FIRE CHIEF GETS HOSING IN PRIVATE

With no explanation once again, the Selectmen closeted themselves and the acting TM in executive session for a lengthy period with Fire Chief Arthur Boudreau, Monday evening.

Chief Boudreau said the officials called him at four o'clock Monday afternoon and told him to be there at 9:00 p.m. On emerging from "conference" the Chief said he didn't know any more when he came out than when he went in.

The discussion revolved around the 75 ft aerial ladder truck which the Town voted for at the regular town meeting, and the purchase of which the chief fears may be delayed so long that the price will be prohibitive by the time the bids are in.

PROTESTS AGAIN HEARD ON BID WARRANT

Acting Town Manager Alfred Calabrese sat still under a barage of accusation leveled at him by members of two of Wilmington's automobile agencies Monday evening. Protesting the manner in which bids were let out and awarded, two representative of Gildart's Bernad Wagstaff and Maurice O'Neil, and Fred Cain and his son, Fred Jr., again met with the board and cited their grievences concerning the bids on the two police cruisers and the highway truck.

While Mr. Calabrese anawered charges early in the arguments, the acting TM finally announced that he would argue no longer and made few remarks as the stream of accusations continued.

The bids on the vehicles were thrown out the first time the specifications were advertised, and few bids were received for the second round. Only one firm, the Wilmington Ford Sales, bid on the crusiers, and were awarded the bid.

WOBURN-EAMES STREET RESIDENTS PROTEST GARAGE

Nearly a dozen residents of the Woburn-Eames St., area attended the Selectmen's meeting Monday evening to protest the request for a license to buy, sell and repair truck bodies at a Woburn St. location.

An application was received by the Selectmen last week from Daniel Robbins of 755 Woburn St. for the license. Mr. Robbins was expected Monday evening but failed to appear. At a hearing held when Mr. Robbins began construction of a building on the site, the understanding was the the building was to be used for the repair or refrigerator truck bodies.

The group present Monday evening protested granting of a license for a "third class garage" in this location.

The Selectmen tabled the application until after conferring with Mr. Robbins.

ATTORNEY SULLIVAN WORKING HARD TO REPRESENT 5TH CONGRESSIONAL DISTRICT

Will youth be served?

That is the question being asked in connection with the approaching campaign of Congress from the Fifth Congressional District.

Will the twenty-nine year old Attorney William H. Sullivan unseat the venerable Mrs. Edith Nourse Rogers, who has served many, many years in Congress?

If hard work, including visits to all of the 29 cities and towns in the district, and determination will accomplish the objective, political experts say, Sullivan has an excellent chance to succeed.

Sullivan is well qualified to aspire to the important office, because of his wide experience in traveling and his familiarity with Washington, D.C., where he attended Georgetown University and Georgetown Law School. He passed the bar the first time he took the examination in the District of Columbia and also passed on his first try in Massachusetts.

He also is familiar with the problems of the veterans, as he served two years in the Army, being honorably discharge at Jackson, Mississippi.

As a lawyer he has appeared in the Courts throughout the district.

NEW TAXPAYERS GROUP MEETS

A newly formed taxpayers group met Monday evening at the Wilton Estates, off Shawsheen Ave.

Among those speaking to the group were Bob Michelson and William Smith representing the Wilmington Housing Authority, Waldo Stevens, water commissioners and Fred Cain, local automobile dealer.

Ed Curtis, president of the association, explained that the group is interested only in matters concerning the town's tax dollar.

Mr. Michelson and Mr. Smith answered questions on the Urban Renewal program planned for Wilmington square.

The Nichols St. water problem was the main topic of Mr. Steven's remarks. Bill Berry presented the other side of the picture on the controversial item which will be voted upon at next Monday's special town meeting.

Mr. Cain gave his views on the circumstances surrounding the awarding of bids for various pieces of town equipment. A copy of his statement will be found elsewhere in this paper.

SILVER LAKE BEACH OPEN

The Wilmington Recreation Commission has formulated plans for an extensive summer program. The first major problem will be the opening of the Silver Lake Beach. This area will be open afternoons for the next two weeks. Then it will be on a full schedule which includes daily use of the beach from 10 a.m. until 8 p.m., on weekdays and opening on Sundays at 12 noon and closing at 8 p.m.

Robert Swanson, a regular lifeguard for the past three seasons will resume his position as head lifeguard and he will be assisted by a newcommer, William Hall, a former Woburn and Wilmington High School star athlete and at present a student at Northeastern University. Other lifeguards for special assignments will include TexJohnston, Pat Bennett and Eddie Forrest.

Later in the season swimming Classes will be held for the children and classes in life saving and water safety will be conducted for qualified persons.

The commission is grateful to the Planning Board for their cooperation in extending the beach and making it attractive for the residents of Wilmington.

Plans have been made for the operation of the summer playgrounds in the following manner: High School, Wildwood School and Mildred Rogers school for children from 5 years to 16 years inclusive.

For boys baseball, there will be regular daily sessions at the High School field. All playground activities will commence on Monday, June 23rd and will continue until Auust 15.

Included will be classes in arts and crafts, music, story plays, games of low organization, individual skills and tournaments.

STOLEN CAR RECOVERED

At 12:59 a.m. on June 2, a Cadillac sedan owned by Albert Marcotte of the Eagle Taxi Cab Co. of Moody St., Lowell was found abondoned off St. Paul St., by Officers Markey and Mercier.

The owner was informed of his loss before the theft was known to him.

WILMINGTON DEMOCRATS FETE GOVERNOR

Many residents of Wilmington and surrounding towns will have the opportunity to meet his Excellency Governor Foster Furcolo this evening when he will be the guest of honor at a dinner sponsored by the Wilmington Democratic Committee.

The affair promises to be the social event of the season and is being held at Tonnello's Supper Club in Tewksbury. Confirmation has been received directly from the Governor that he will be present along with many leading dignitaries of local and state levels.

Toastmaster for the evening will be State Representative Thomas Donohue of Woburn who will introduce the governor as guest speaker of the evening. Seated at the head table with the Governor and Representative Donohue will be Sheriff Howard Fitzpatrick, County Commissioner Thomas Brennan, District Attorney and Mrs. James O'Dea; Wilmington Democratic Chairman James McLaughlin; Police Chief and Mrs. Paul Lynch; Frank Hagerty, chairman of the Board of Selectmen and Mrs. Hagerty.

Committee workers in charge of the banquet are: Hank Filipone, chairman; assisted by Harold McKelvey, greeter: Ernest Crisco, Edward McLaughlin, Cecil Cantrell, Mary Cunningham and Maynard Eaton.

Following the dinner and address by the Governor, dancing will be held until midnight.

THANKS CRUSADER

Dear Editor,

I have enjoyed very much, reading weekly, the "Wilmington Crusadedr," since my tour of duty with the Army. But now, my enlistment ended June 5, so please discontinue sending me the "Crusader."

I have been kept abreast with the news, the development and progress, the efficiency and modernization of my home town.

In closing, let me thank you for a fine job well done.

Sincerely

HERE AND THERE

with Ruth Boudreau, OL 8-2239

May Day at Wildwood School was held as planned on May 27. First on the program was the fourth grade who did the "Virginia Reel," and then played a game of "Dodge Ball."

Second, came the fifth graders to perform the game of passing the ball from one player to the other until all players in the row had a turn, then they rolled the ball under there legs to reach the end of the line and pass it under again. This they did until all players had a chance to reach the front of the line. The same classes played a game of bouncing the ball for a distance and back to the next player until all players had their turn. It seems that the boys out-did the girls each time, as the boys in Miss Faulkin's class won both contests.

Third, came the sixth graders (boys) who performed gymnastics, consisting of hand springs, cartwheels and then forming a pyramid. They were properly dressed in tee shirts and dungarees.

Then came the sixth grade girls who were dressed beautifully in white blouses, blue skirts, and blue bows in their hair. They marched in strict formation to their leaders' commands. First in fours, six, and eighths to spiral around the playground. Their performance was especially pleasing to the eyes.

The third graders did justice to their age as they did the "Hokey Pokey," and "Step and Step and Bow Melinda." They were in good spirits, and although some of the boys of this class were reluctant to dance, they laughed it off and had a good time.

The second graders came on next to perform an Indian dance to the music of "Ten Little Indians," and another dance called "Hi Little Lassie."

The first graders were last but not least as they danced a "Minuet" which most boys in this group were reluctant to do especially while their parents were watching. But then again, all went well, and it turned out to be successful. The applause was pleasing to the children after they performed their hidden talents.

Between 200-250 parents attended this affair which pleased the children immensely, and it must have been gratifying to the teachers and Larry Cushing to see such a good turn-out of parents for this special event of the year held for the children.

The Wildwood Parents Club served refreshments to the children after the program was completed, the pre-school children who attended with their parents were served their refreshments.

Mrs. Elsie Medico, Chairman of the committee for the Wildwood Parents Club wishes to take this opportunity to thank all those who helped to serve the refreshments.

Congratulations are on hand for the birth of a second son to Mr. and Mrs. Robert Bavota of 9 Dorothy Ave. The new-comer weighed 7 lbs. and 10 oz., and was named Steven John. He was born May 25 in St. John's Hospital, Lowell, Mass. Their other son is named Robert James.

Sharing the honors are the grandparents, Mr. and Mrs. Lewis Bavota, Medford, Mass., and Mr. and Mrs. Albert Nau, also of Medford.

About 70-100 friends and neighbors attended a "Going Away Party" in honor of specialist first class Peter Medico and his recent bride, Lee, on May 24. Friends and relatives from New Hampshire, Connecticut, So. Boston, Dorchester, Malden, Chelsea, Revere, and Swampscott attended.

The affair was held at the Silver Lake Betterment Hall, and it was beautifully decorated in pale pink and white decorations. A delicious cake was served along with sandwiches and all the trimmings to make up a buffet style dinner. Music was by records and the young folks particularly enjoyed the rock 'n roll music. The newly weds were given a gift of money as they are travelling to Virginia where he will be stationed at Camp Eustis. The groom is the son of Mr. and Mrs. Joseph Medico of 136 Federal St.

A fairly good size crowd listened and enjoyed a most heart-warming performance by the "Guild for the Blind," on May 30 at the Herbert C. Barrows Auditorium, sponsored by the Wilmington Lions Club. They were enjoyed immensely by the audience.

Among those in attendance to see this display of talent were king Lion, George Cushing, next president, John Murphy, John Collins, Wavie Drew, and Frank Hagerty.

This was a fund-raising event for the benefit of the blind. Those on the committee included Joseph Medico, Anthony Joannides, Al DiCampo and William Tanner.

The performance lasted two hours and most in attendance would have enjoyed more. Those who missed this opportunity to see and hear this fine talent by the "Guild," will be able to see them next spring, as the Lions Club hope to have them back again.

DEMOLITION DERBY AT WEST PEABODY SPEEDWAY

Ardent race fans of the Speedway have requested a Demolition Derby. Due to these requests a Big Demolition Derby has been planned for this Saturday night. An exciting 25 Lap Championship Spectator Race will also be held with a beautiful Trophy awarded to the winner. Top stars and cars will add to this thrill-packed card of racing, when pandemonium fills the Speedway as the Stock Cars and Bombers roar around the track.

The winner of last Saturday nights Stock Car Race was Don Chase. John Caley was so close it was almost a dead heat. In the Bomber Feature Paul Martell and Dick Jackson really put on a good race. The fans were brought to their feet as these two drivers fought it out to the finish. The winner of the exciting Spectator Race was John Peterson of West Peabody, Mass.

SELECTMEN'S NOTES

A letter was received by the Selectmen Monday evening from the DPW, advising the board that a traffic survey should be conducted by the Town on Nichols St., rather than by the DPW.

The application of Salvatore Colluci of Lloyd Road, to sell eggs was granted. An ice cream license renewal for Leon Gagnon was approved.

The application for a Sunday license for Lucci's Market was tabled pending further study of the Sunday license problem.

A carnival license was granted the Hebrew Community Center. The site has been changed to the lot across from Cain's garage.

Douglas Palmer of West St. was granted permission to sell loam in the line of Rte. 28.

The Selectmen voted to commend the Memorial Day committee and all those who marched in the parade.

Chr. Frank Hagerty reported that he has received numerous calls relative to the mosquito spraying program. Acting TM Calabrese said that the program has been slowed up due to the frequent rain. What spraying that has been done has been washed away by subsequent rains, and that an alternative program of spreading kerosene is objectionable to the fire department.

ST. DOROTHY'S ANNOUNCEMENTS

There will be a meeting of all teen-age girls at St. Dorothy's Hall this evening (Wednesday) at 6:45. Two members of the Sisters of Notre Dame will address this meeting. This is a project sponsored by the C. Y. O.

Members of the C. Y. O. are urged to please read the bulletin posted at the entrance of St. Mary's.

Thursday is the feast of Corpus Christi. In addition to the 7 o'clock Mass, there will be a second Mass at 8:30.

Choir rehearsals are held each week at St. Mary's on Tuesday evening at 7:30 and on Thursday afternoon at 3:30.

Friday of this week is the first Friday of the month. Cosfessions will be heard on the previous Thursday at St. Mary's at 7:30 pm.

Masses on First Friday will be at 6 and 7 am.

On Friday evening, there will be a Holy Hour at 7:30 at St. Mary's.

On Saturday morning at 8 there will be an anniversary Requiem High Mass for Mary Rothwell.

Wilmington release time pupils are requested to receive Communion in a body at the 8:15 Mass next Sunday morning Graduates will wear caps and gowns and will be awarded their diplomas after Mass.

Holy Name members and the men of the parish as well as CYO members are to receive Communion in a body at the 9:15 Mass next Sunday morning. After Mass, they will proceed to Wilmington Grange Hall for their Communion Breakfast. A noted speaker will address this gathering.

Religious instruction classes are now finished for the season. Parents are reminded that their children must attend Mass and receive Holy Communion regularly.

The priests of the parish extend their thanks to the sisters, the lay teachers, to the Tewksbury School Board and to those who helped transport the sisters during the school term.

The priests of the parish are grateful to the Blitz Committee for the proceeds of last Tuesday evenings party. Another is this series will be held at the hall next Tuesday evening.

They are also grateful to Mrs. Marie O'Connell and her committee for the proceeds of last Friday evenings whist party. This Friday evening, following the Holy Hour, Mrs. Edward Brittingham and Mrs. Ann Sullivan will conduct the whist at St. Dorothy's Hall.

They are grateful also to Mrs. Alice Carroll and all who worked so hard for the success of the delightful Dinty Moore dinner which was held at the hall last Thursday evening.

Student altar boys are urged to come for instructions to St. Mary's on Monday evening at 7. The Novena in Honor of Our Lady of the Miraculous Medal is held on Monday evening at 7:45.

CONGREGATIONAL NEWS

The Church Cabinet will meet at the parsonage Thursday at 8 pm.

Boy Scouts Friday at 7 pm.

The Fireside Fellowship will hold its annual banquet at the High School cafeteria on Saturday at 7:30 pm. Dancing will follow.

The annual Children's Day observance will take place on Sunday and there will be only one service, at 10 am. A Kinderkirk will be provided for the youngest children. Those who desire baptism for their children are asked to notify the minister at once. The pupils of the Church School will meet first in their own departments, not later than 9:45, and the Kindergarten, Primary and Lower Junior Departments will come into the sanctuary seperately to give their programs. The Upper Junior department will serve as a choir. Envelopes will be provided for a special offering for Summer Student Service. At the close of the service all pupils will be given plants to take home.

The Anniversary Committee will meet at the parsonage on Monday at 8 pm.

The Finance Committee will meet in the parish house on Tuesday at 8 pm.

FIRST BAPTIST CHURCH OF WILMINGTON

Sunday School promotion certificates and awards will be given out during the regular Sunday Church School at 9:45 a.m. All are invited and encouraged to be present.

Mr. Glazier from the Maplewood Baptist Church will be guest speaker at the regular Sunday morning Worship Service at 11.

Evangelistic Service:

Sunday evening at 7:30, there is always a good "old fashioned" song service which everybody enjoys, and we will have Herbert White of the Forest St., Congregational Church, Wilmington as guest speaker.

Wednesday evening at 7, Pastor's Class at the parsonage.

Thursday evening at 7:30 p.m. "Hour of Power", mid-week prayer and praise service with Jack Moore in charge. This is a service dedicated to Bible study, discussion, prayer, hymns of praise and testimonies, a necessary program if a Christian is to grow strong.

B. Y. F.

Saturday morning at 8, the Junior B.Y.F. group will meet at the Parsonage to spend a day of mountain climbing in New Hampshire. Bring a lunch.

Sunday evening at 5, Junior B.Y.F. meeting at the Parsonage, with an Inspirational Message by Miss Marian Halpin.

Sunday evening at 6, Senior B. Y. F. meeting with a program planned to welcome into the Sr. group all those who will be sophomores in September.

DAV HI-LITES

Last Friday's Memorial Day Services and parade proved to be as near perfect as possible. Chapter 106 congratulates Chairmen Cutter and Brown and their Memorial Day Committee for a fine job. The open house at Chapter Headquarters on Memorial Day was one of our most successful affairs in some time. Our Auxiliary did a tremendous amount of work in making the day the great success that it was. We are extremely grateful to Arthur Lynch, Arthur Starr, and Mike Gatta for all they did to help make our open house an unforgettable one. Everyone in the Chapter sicerely appreciates their efforts.

Past Commander Simpson took part in the installation of officers at the Greenfield Chapter on last Saturday evening, serving on the installing suite with the Department Commander.

There will be a regular business meeting of Chapter 106 this evening at the quarters on Grove Ave. at 9 pm. We hope that everyone will make an effort to attend. This will be a very important meeting for several reasons. Every member should try to be present rather than leave the decisions to a minority group of the membership. The strength of the organization depends entirely on the interest of every member. Attend your meetings!

TOWN MEETING MAY BE HELD JUNE 9

Continued from Page 1

On March 3, 1956, the Town voted to accept Sections 42G, 42H and 42I of Chapter 40 of the General Laws. Briefly, this means that the Town may levy assessments to meet the cost of laying water mains; such assessments may be levied against the parcels of land receiving benefits; and the method prescribed for levying such assessments.

The Town further voted "that the Town provide for the levy of special assessments - - - such assessments shall be made on the several parcels of land receiving benefits from the laying of such pipes by a fixed uniform rate based upon the estimated average cost of all the water pipes therein and the paying thereof according to the frontage of such land on any way in which the water pipe is laid."

Many residents of Nichols Street, which does not have a public water supply feel that they should not be asked to pay the entire cost of installing a main on this street. This point brings out the importance of the Special Town Meeting. The public good and the best interests of the entire Town are a pertinent part of any solution to the problem.

For almost ten years people have been paying for water mains in subdivisions as part of the purchase price of their property. For two years people have been paying for water mains on older streets under the provisions of the Betterment Act.

Nichols Street, while not a new public way, contains one of the newest subdivisions from the point of view of the age of most of the houses on the street.

We earnestly urge that the voters of the Town attend this meeting on June 9 to decide upon these two points:

1. That Fairmeadow and Jere Roads be assured of a water supply.
2. That the intent and integrity of the Betterment Act and the resulting stabilization of the tax rate be upheld.

Very truly yours,
Francis J. Hagerty,
Chr. Board of Selectmen

FIRE LOG

Monday, May 26, at 3:15 p.m. the ambulance was summoned to transport Mr. Walker, an accident victim, from the scene of an accident at the intersection of West and Grove Sts. to Choate Memorial Hospital.

May 27, at 1:18 p.m. the ambulance was called to take Donald Wood from Hillside Way to Children's Hospital. At 7:20 the ambulance took a Smith child from 2 Pillins Rd., to Winchester Hospital. The child was then taken to Dr. Anderson's office for treatment and returned to her home.

May 28, at 2:30 p.m. the ambulance took Mrs. Carpenter of Glen Rd., to St. John's Hospital.

May 29, at 11:20 a.m. the ambulance transported Arthur Harper from St. John's Hospital to Veteran's Hospital in Jamaica Plain.

May 30, at 5:10 p.m. rubbish in an automobile trailer belonging to Joseph Zuccola of Oakridge Circle became ignited.

May 31 at 2:17 a brush fire on Marjorie Rd. Engine 3 responded to the call. At 4:41 engine 2 went to John Elia's Store on Lowell St for a service call involving a gas leak. At 10:45 the ambulance transported Mr. Skolung of Suncrest Ave., to Winchester Hospital.

NEW MEMBER TEA SUCCESSFUL

On Monday evening, May 26, two new members were welcomed into the women's group of the Hebrew Community Center during the new member tea. Joining the group for the first time were Mrs. Black of Billerica and Mrs. Goldstein of Tewksbury.

Monte Carlo and Bridge games were enjoyed and prizes were awarded those who gained top scores. At the close of the evening, refreshments were served by Charlotte Sobelman.

NEWSING AROUND

The outside crew of the Water Department turned "do-it-yourself" boys as they constructed a 25ft flagpole, made from odds and ends of old water pipe and a flag that was donated by another town department. For the first time since the pumping station was built 30 years ago, Old Glory is flying, thanks to Kenny, the instigator.

* * *

Last week we watched a "do-it-yourself" garage, a Gilbuilt, being erected at the home of Mel Southmayd of Lowell St. Just building blocks for the kids, huh Mel? Pretty Classy little garage, porch and all.

TROOP 60 MEETS

The regular weekly meeting of Troop 60 was held at the old north school on Monday evening at 7. The opening ceremonies were led by Carlton Dean and Michael Stanley.

During the meeting, summer plans were formulated and several discussions were held. The boys decided they would like to take part in the improvement program being carried on at the old north school and will in the near future, provide through their own skills, a flag pole to be placed at the front of the building.

Several boys passed the first aid requirements and became first class scouts. Several others finished their Tenderfoot projects and three new members were inducted into the troop. Newly welcomed members were John Stanley, Larz Neilson and John Zukowski.

Closing ceremonies were lead by James Webster and John Zukowski.

HUB CAPS STOLEN

At 8:25 p.m. on May 26, Mr. Dowling of Hawthorne Rd., reported to Officer Dolan that four hub caps had been stolen from his 1955 Mercury while it was parked on Woburn St.

Officer Dolan is investigating the theft.

WILMINGTON SCHOOL BAND IMPRESSIVE

All those attending the May 20 performance of the Wilmington School Band were in agreement that the group is ready for band competition. The execution of a group of selections including the National Anthem, Marches, and a final impressive Hymn was excellent.

Most of the credit for this must go to the excellent talents of Composer-Bandmaster Domenic DeGrazia. In a short period of two years he molded a group of discouraged and disorganized yeoungsters into as sharp band now well on it's way to recognition. The band idolize his talents, firmness, humor and friendship—and seldom complain about vacation time rehearsals.

The Memorial Service arranged by the Band during their performance was stirring. A minute of silent prayer with the roll of drums followed by a series of faultless Taps from different sections of the Auditorium.

Additional parade formations will be worked out for them by Mr. Joseph Beaton. Soon there will no longer be the need to hire outside bands, for public functions in the future. The Town is proud of its band.

EAST MIDDLESEX ASSO. FOR RETARDED CHILDREN

On Wednesday, May 28, the East Middlesex Association for Retarded Children, Inc. held its annual banquet at the Wakefield YMCA. During the past year, the Association boasts many new achievements. One of our latest projects was a pre-school nursery now being held in the Trinity Episcopal Church of Woburn. This nursery teaches children from Wilmington, Woburn, Winchester and Burlington. Retarded children from Wilmington are now attending these casses wholly free of charge.

Another one of our projects is a boy scout troop for retarded boys of scout age, under the direction of Thomas Basti of Burlington. Of course, all retarded children are eligible for our purpose is to foster the development on integrated programs on behalf of all retarded children.

New business discussed at the banquet included EMARC, Inc. starting a summer day camp under the direction of Mrs. Warren Daive of Wilmington.

Working for our retarded children, Mr. and Mrs. A. Bureau of West St., Wilmington, will help with any questions or problems you have.

CLARENCE DOUCETTE PASSES AWAY

Clarence Doucette, 63, of Ballardvale St., passed away recently. Funeral services were held from the Joseph B. McMahon Funeral Home, followed by a solemn High Mass of Requiem at St. Thomas Church.

Mr. Doucette was born in Wilmington, the son of W. H. and Mary (Babine) Doucette. He lived all his life here and was educated in Wilmington schools, including the old north school and the old high school which is now serving as the town library.

He was a veteran of World War One, having served with the Army and was one of the first members of Post 136 of the American Legion. He was also a well-loved member of the VFW.

Mr. Doucette was at the time of his death, the only registered professional engineer in Wilmington. He had been for approximately 25 years the sole owner of Stone-Underhill Co. and during this time was considered one of New England's outstanding experts on air conditioning and heating systems.

During his career, Mr. Doucette performed engineering duties and his company, Stone-Underhill, placed heating and air conditioning plants in several local buildings, including: Woburn Town Hall, Burlington High School, Joshua Eaton School in Reading, the maternity building of Lowell General and Hale Hospital in Haverhill.

He is survived by his wife Elizabeth (Nixon) Doucette of Ballardvale St., and his son Clarence, Jr. He is also survived by five brothers and three sisters: Henry and Frederic of Ballardvale St., Eugene of Sunapee, N. H., Percy of Tewksbury, Everett of Reading, Mrs. Gertrude Amirault of Ballardvale St., Mrs. Frances Furrette of Hopkinton and Sister Catherine Paula of Bermuda.

FINAL PTA MEETING

The Wilmington PTA held its final meeting of the season in Herbert C. Barrows auditorium before a crowd of more than 150 parents, teachers and friends.

The election of officers for the coming year was held. The slate of officers brought in by Mrs. Robert Michelson, Chairman of Nominating Committee, were elected. They are Pres. Bert Sell; Vice Pres. Frank McLean; Sec. Mrs. John Keough and Treas. Edward Bradley. Both Mr. Sell and Mrs. Keough will serve their second term in office in accordance with the PTA By-Laws. This will be the first time that three men are filling principal PTA offices.

The following school representative were elected:

Buzzale School, Mrs. Frank McLean; Whitefield, Mrs. Helen Pearson; Swain, Mrs. Irene Silverman; Walker, Mrs. Charles McLaughlin; Center, Open; West Mrs. John Cuoco; Wildwood, Mrs. Albert Marfleet, Mildred Rogers, Open; Jr. High, Mrs. Bert Sell; High, Mrs. Kenneth Lyons.

The Teacher Representative is Mr. Robert Murphy.

Steps have been taken in some of the schools to form sperate PTA units to work in conjunction with a Wilmington PTA Council.

LITTLE LEAGUERS TO SELL BUTTONS

Saturday, June 7, Little Leaguers will canvass the town selling Little League buttons to people of the town who feel that Little League's aims merit their support. This will be the only fund-raising drive of the year in which uniformed players will solicit on a door-to-dodor basis, and everyone is urged to contribute.

Anyone wishing to make a donation but who will not be at home on Saturday may make alternate arrangements with President Bob Hastings of Little League, OL 8-3457.

The minor league of the Wilmington Little League celebrated its opening day on Saturday with a triple-header packed with thrilling baseball. In the first game, the Cardinals came from behind in the late innings to notch a 7-6 victory over the Cubs. Kevin Sullivan, in relief was the winning Cardinal pitcher.

The second game saw the Giants wallop the Braves 12-3 in a determined effort to improve on their record of last season when they fared rather poorly; Marcy and Brown was the winning battery. Kenny Paglia helped last year's champion Redlegs to pick up just where they had left off with an exciting no-hit 1-0 win over the Dod

Letters to the Editor...

Sirs:

It is, I think, appropriate that so soon after Memorial Day, we be reminded that one of the ideals so bravely defended was that of democracy and majority rule.

At the June 9 Special Town meeting, I must decide to vote one of two ways. 1—To deprive my family and neighbors of water or 2—To show no respect for the recorded votes of the majority of the people on Nichols St., and the March Town Meeting and vote that water be brought up Nichols St., under the Betterment Act.

Nobody can convince me as an individual, to vote against the democratic principles in which I believe and for which a lot more than water has been sacrificed.

May your conscience be your guide at this meeting.

Sincerely yours,
Edward A. Thomas
13 Fairmeadow Rd.

Wilmington Town Democratic Committee News

Last week, Jim McLaughlin, Ted Cantrell, John Davis and myself were guests of Governor Foster Furcolo at the Yankee Doodle Restaurant in Lawrence where we were given a first hand report of progress during the last year. For those of you who didn't attend, come down to the next meeting and hear Jim's report.

Ted Cantrell is Chairman of our registration drive and the program is in full swing presently.

Everything is all set for the banquet tonight, and I'd like to take this opportunity to thank all the committee members who did so much to help make this affair a sell-out. Thats right, folks, Tonnello's will be bulging at the seams and there is no more room.

The only way I can get a message through to Pearl Hersom is through this column, I guess. So, here goes. Pearl, that matter we discussed has been brought to the attention of the proper people and results will be coming soon. Just remember us, will you?

This week, being the close of our banquet drive, I don't really have much to report on. Let's say that starting next week there will be more that I can write about and we'll let the column rest for the while.

TALK OF THE TOWN

By HANK FILIPPONE

A certain group of citizens in town have nothing better to do than to make jest of problems that concern a goodly amount of citizens in the brick bottom area. A four year old child could tell the whole town that the problem of finding water in Wilmington is one that is easily solved. Probably 65% of the cellars in town have water almost all year round, and if so desired, a pipe driven into the rground anywhere in town will spout water after only 2 feet. This particular society has mentioned a number of methods to divine water, but to, the casual observer, it's evident that mingling of Elm, Apple and Witch Hazel could come up with a more potent matter than water. From the tenor of the letter which was sent into the other paper, it seems that the group was sampling the finished product and all I can say is (hic).

Next week the citizens will be called upon to attend a special town meeting to vote again on an article that was voted against at the annual town meeting. At a hearing at the high school last weeek, 62 citizens attended a hearing of the water commissioners and the Board of Selectmen in regards to this problem. Significantly enough, our own Water Commissioner Harold Melzar was absent. It seems that the problem isn't serious enough to warrant his attendance. Such is democracy, as practiced by some. This is the last sentence in a letter sent to our town manager from Mr. Buzzell, our town counsel. "My conclusion is that the water commissioners have no authority to include Nichols Street in such extensions". It appears evident that the acting town manager is behind this article as its been read that the water commission is answerable to the town manager. Things such as these make the probability of water betterments extinction possible.

And speaking of water betterments, if and when the new standpipe is erected, and a water main is laid down from it, who will pay for the laying of that pipe, down the street, or will the residents of the street have to pay under the betterment act? Watch this one, folks, you may be next.

Two weeks ago I mentioned something about a hospital for this town and since then I'm happy to say that numerous citizens have been talking about it. And why not? There must be some way for the town to have a hospital, and while I don't know how, I'm sure that and civic minded group of citizens can find a possible solution. How about it? Does anybody know how to get started?

Sack or chemise dresses are the subject of much comment, and Martha Tamblyn of the Miller Press believes they have solved the age old question of whether women dress to please men, other women or themselves. The answer is nobody. The gusts of wind that did so much to beautify women as women, last Sundays did nothing for those gals wearing the sack dress. However, progress will come to an end when the young folks agree with the views of their parents.

Is there a new look in men's hats? Paul Lynch insists that he bought a new hat, but it looks no different. He also tells me that Ruth managed to find him a tie for that shirt he wore one night UGH. This I gotta see.

The town can well be proud of our high school band. Last Friday, the youngsters were resplendent in their new uniforms and did a magnificent job of the whole thing. Our own George Spanos was the guest of honor and kept right up with all the boys. Tell the truth folks, didn't you get a lump in your throats when the veteran's organization marched by with their colors in the breeze? We're calling on them in a different way these years but they are still there when you need them.

The Board of Selectmen have moved to congratulate the memorial committee for an excellent performance.

Last Monday night was a very trying evening to our Board of Selectmen and acting town manager. First they put in a very rough session with Gildart Chevrolet officials in regards to the bids on the trucks that they had bid on. Then an hour session (executive) with fire chief Arthur Boudreau on subjects that will not be mentioned. All I can say is that Art was weary from arguing and knew less when he came out than when he went in. Immediately following, Fred F. Cain went in and really poured it on. After all these years of serving the town in one capacity or another, it seems that his own feelings were that he was riffed in regards the privilege of bidding on the town police cruisers. He had figures that showed the original bidding on the two police cruisers being rejected and specifications were changed to a point that his company could not hope to bid on. Ironically enough, the new bids were opened and only one bidder had submitted a bid. This bid was by the Ford Agency and was some few hundred dollars over their original bid. In the meantime, the present cruisers had to do a bit of tire changing around in order to allow one cruiser to have fit tires to operate during a night. All this, for why? Then, on top of it all, Frank Hagerty received a phone call from a town official which caused no end of confusion.

Incidently, Fred Cain, you drove me down to town hall and promised to drive me back to where my car was parked. Did you forget? I had to chisel a ride home, and I'm a brother Elk.

In conclusion I would like to point out that being a selectman is a thankless job, but let's face it, you asked for it.

At 7:30 Saturday evening, June 7, Cub Pack 58 will hold their annual Circus Night at the Wildwood School Auditorium.

Booths will be set up and the type of games yougsters enjoy, such as beanbag, dart and balloon games, wheels, etc., will hold their attention most of the evening. There will be no losers, everyone will be a winner.

Last year the circus had a fine turnout, both youngsters and parents enjoying themselves thoroughly. There will be refreshments available and during the evening a drawing will be held for a lawn chair.

Also included in the program will be a costume parade. Prizes will be awarded the winners.

All proceeds from this event will be used for the Cub Scouts last outing of the season, the annual picnic at Camp Forty Acres.

Cain Raises 'Cain'

Continued from Page 1

ed and 8 cylinder "272 cubic inch" was proposed. No mention was made of this deviation in the bid although the customary charge for this oversize engine is at least $125.00. Item #6 Rear Axle "Dual Heavy Duty 16,000 lbs." was specified while "15,000 lbs. was proposed. Doesn't sound like much in fact it is our understanding that the Acting Manager said this was a minor deviation. So minor that Ford 1958 Truck Price Lists show this 16,000 lb. axle as an opptional on a 700 Series Ford at $513.70 Extra as against $145.50 for the 15,000 lb. option. A net difference of $368.20 for this item. So if we add $125.00 for the 282 cubic inch Engine and $368.20 for the 16,000 lb. Rear Axle totals $493.20. Chevrolet bid total after discounts would be $2877.13. Ford would be $2948.91, $71.78 higher than Chevrolet. It is well to note at this time that the Body to be mounted on his Unit is specified as 4 yard.

Now comes the important decision. It becomes evident that the low bidder (if they can be called Low when they drop the Specs. in order to bid a low price) has failed to file a copy with the Town Accountant thus making his bid Null and Void.

Does our experienced Town Manager then take the next lowest bid and accept it? No. He claims that all other bids were in excess of the appropriated amount of money and had to be rejected. This was not the case. The Chevrolet bid was within the appropriation and met the required minimum specifications. And now all competitors know what the Chevrolet bid was and how to rebid against it. So again we chalk this up to inexperience.

The Tree Truck—First Bid, May 2, 1958 Ford Bid "Quote" "We are happy to bid on a truck for the Tree Dept." Truck to be as specified, exceptions and corrections on #16 and #18 of the specs. 16 and 18 are as previous Frame and Fan. Again no mention is made of item 6 Rear Axle which specifies a 16,000 lb. rated capacity. Although those proposed by the vendor are dual 15,000 instead of 16,000 lb. Still that $368.20 Cushion and Why. Surely it isn't because Ford does not supply 26,000 lbs. Rear Axle it is shown in all their literature and also the bidder knew it because it is included in their proposals of May 28, 1958 which shows their list price on Chassis and Cab at $4,801.00 as against $4,401.00 on their May 2 bid, a difference of $400. Can it be called competitive bidding when one bidder quotes specifications that are not equal to those of another bidder although the required minimum specifications are available to him to use.

Can we say that a purchasing agent who condones this by saying to the Board of Selectmen at their meeting in front of witnesses including the press that, and we quote "the 15,000 lb. Axle instead of a 16,000 lb. Axle is a minor deviation which he would agree to allow. Can this type of person be called especially trained, especially educated and especially experienced to perform the duties of purchasing agent and Manager of this Town??

Now The Crowning Event

New Bids on Highway Truck. This time eliminating the Body as we find we have a suitable body on hand. We will now spend what money is available on a larger truck. So on May 28, 1958, another bid for a larger Chassis 25,000 GVW instead of the 21,000 GVW. Now requires an 18,000 lb. Rear Axle (Considerable larger than the 15,000 lb. which was considered OK for the 4 yard Body). It does not take an expert long to figure out that with all this added size of the chassis that surely this truck will carry a larger load and make less trips.

But again imagine our Consternation as taxpayers when we discover that this heavy truck is going to carry only a 3 yard Body—25% less than the original load on the smaller chassis.

We now discover why it was so important in Section 7 Chapter 592 to appoint an experienced manager especially educated and trained to perform the duties of the office.

Please Selectmen—Give the Taxpayers a break. Do your job as it was originally intended you should.

Take away this uncertainty and give us good, fair, impartial administration so we can gain back our self respect as Taxpayers in a Town going Forward in the right direction.
